## FRIDAY 10 APRIL RUBY MACINTOSH

Inspired by music of the 50s and 60s. This retro pop siren is currently captivating audiences up and down the country with her old school glamour and down to earth sense of humour.

Ruby will regale you with classic pop songs and her own witty ditties, joined for this performance by blues harmonica player Ryan Mitchell-Smith.

## FRIDAY 8 MAY SCRIPTOPHILIA

*PETER SPAFFORD AND RICHARD ORMROD  
present Scriptophilia.*

This terrific pairing of poet and musician Peter Spafford and multi-instrumentalist Richard Ormrod brings you songs about shopping lists, kitchen appliances, and death. *Scriptophilia* is a celebration of music, words, and what they can get up to together. This is a real coup for Friday Night Music Club.

## FRIDAY 12 JUNE LULA AND THE BEBOPS

Rock n' Roll at its best is the spirit and rebel yell of working people. It's no coincidence that Elvis drove a truck and didn't go to Yale.

*Lula & the BeBops* play jumping, jiving, rocking rhythm and blues like they mean it, cause they do. A band born and brought up in the industrial heartland of the North,

who have seen the highs and lows and play with all the heart, soul, sadness, joy and pride that primal beat deserves. Bring your dancing shoes!!
