## FRIDAY 11 SEPTEMBER THE DIZZY CLUB

Sheffield's Dizzy Club will get our second season of Friday Night Music Club off to a swinging start.

With acoustic guitar, violin, double bass and drums the Dizzy Club offer unique arrangements of standards in a hot club 1940s swing style. From Sheffield's Jazz Clubs to Glastonbury festival, the 'Dizzies' are guaranteed to get your toes tapping and hearts soaring. This is music to dance to.

## FRIDAY 9 OCTOBER FRAN SMITH

Singer-songwriter and pianist Fran Smith is a mesmerising solo performer who was named a 'Live Music Highlight of the Year' by the BBC in 2014.

Her songs are disarmingly romantic, witty, sensuous and "*refreshingly uncompromising... both brutal and beautiful*" (Folk Radio UK). She weaves intimate, piano-based pop melodies with a dark, baroque quirkiness that evokes Florence Welch and Antony Hegarty.

## FRIDAY 13 NOVEMBER LEEDS CITY STOMPERS

Red Hot Blues Band, conjuring the spirit of prohibition America.

With 1920s drum kits, slapped double bass and metal resonator guitars from the 1930s these terrific musicians make old sounds in a new way. *'We want to go everywhere, play to everyone, make people dance, make records, do a great show and spread the word about all the good time music we love'*.

## FRIDAY 11 DECEMBER ROBIN HILL

Robin is an exceptional guitarist; he's played with everyone from Deep Purple to Pavarotti.

From the Blues to Opera, Robin has played in all styles and genre and worked with some of the world's finest musicians. We are very lucky to have him at Café Lux for this masterclass in guitar virtuosity.

## FRIDAY 15 JANUARY MIK ARTISTIK'S EGO TRIP

Mik Artistik is a Leeds legend; with songs about real life stuff he'll make you laugh and he'll make you cry.

Mik Artistik; artist, poet, comedian, musician. He's sixty and he doesn't care. Jonny Flockton; looks a bit like Dr. Brian Cox and plays guitar like a dream. Benson Walker; plays bass with his middle finger, sings loudly and hugs like a bear.

## FRIDAY 12 FEBRUARY THE SEA WHORES

The Sea Whores build a cinematic musical landscape of old world folk songs lost at sea.

Mayhem, murder, madness and a rare cockeyed view of bawdy ballads, accompanied by steel guitar, banjo and fiddle creates their unique brand of junkyard skiffle. Brooding atmosphere, dark humour and kinetic energy flow through this rusty old time fairground ride of a band. Holy, dark and royal; hold onto your hats!
